Sir,

With reference to your letter No.L.40f2 dated 27th/30th Novr 1935, re: the disposal of sites, Nos. 1. 2 and 3 in the extension formed in the Chennarayapatna Minor Municipality, I have the honor to state as follows:-

2. As instructed in your letter, the Sub Division Officer was asked to hold the acquisition proceedings relating to the portion of the Mill Site, sanctioned in G.O. No:L.594-42/Mi.42-34-2f, dated 21st/26th February 1935, in abeyance. The resolution of the Municipal Council, confirming the sale of these sites was suspended and the President was asked not to allow any construction thereon. The Sanitary Engineer, Bangalore was requested to furnish a revised lay out plan.

3. The Sanitary Engineer having furnished the revised layout plan, the President, Chennarayapatna Municipal Council, was asked to place the records along with the plan, before the Municipal Council and obtain their resolution cancelling the sale of the sites in question and granting them to the owner of the Rice Mill subject to his constructing buildings thereon, in accordance with the instructions of the Sanitary Engineer.

4. The subject having been placed before the Municipal

Council at their meeting held on 9th October 1936, they resolved that as they had sold the sites and confirmed the sale, they could not pass the resolution referred to in para 3 supra, but that they would carry out my orders in the matter.

5. The President having submitted a copy of this resolution, he was again asked to furnish the resolution of the Council agreeing to cancel the sale of the sites and to grant them to the Mill Owner for an upset price equal to the amount for which they had been sold in the auction with five per cent compensation in addition, subject to the Mill Owner constructing buildings thereon as per plan furnished by the Sanitary Engineer.

6. The President resubmitted the records with a copy of the resolution of the Council passed at their meeting, held on 11th Feby. 37, to the effect that as they had already furnished their views at the meeting, held on 9th October 1936, they could not re-open the question and that they would carry out ~~over~~ my orders.

7. As the Council failed to pass the requisite resolution in spite of my having given them two opportunities, I have annulled the resolutions of the Council confirming the sale of the sites, under Section 35 of the Minor Municipalities Regulation and directed the Municipal Council to grant the sites to the owner of the Rice Mill as already ordered by me (Vide para 5 supra). A copy of my order is enclosed for kind perusal.

8. I am separately sending up a report for dropping the acquisition proceedings, referred to in para 2 above. I have also issued an endorsement to the owner of the Rice Mill, intimating him the action taken in the matter.

9. I

I request that my action may kindly be approved.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.
